

Peace-of-mind motoring with liability reduction

As a Mobility customer you are fully covered by third party, comprehensive and passenger insurance if a loss event occurs. For **learner drivers and new drivers** the policy deductible is max. CHF 800, or CHF 1'800 for customers aged under 25 (see table below).

Liability reduction is optional for **accompanying persons**. Accompanying persons may take out liability reduction cover at a fee of CHF 75 for a period of six months. This reduces the maximum policy deductible per loss event from CHF 2'500 to CHF 300 (or from CHF 3'500 to CHF 1'300 for customers aged under 25). If an accompanying person is already a Mobility customer with liability reduction cover, this naturally applies to all journeys in Mobility vehicles.
