5 – 24 subscriptions	CHF 6	CHF 12
25 – 100 subscriptions	CHF 4	CHF 8

Minimum term of contract 12 months

Trial business subscription

Test Mobility for four months for just CHF 8 (personal subscription) or CHF 16 (transferable subscription) per month – without any obligation.

Business-Light

Do your employees only have occasional need of a vehicle? If all of your company cars are in use or if they are too small for transporting something, then Business-Light is ideal for you. You don't pay any subscription fees, but because of this the drive rate is higher than normal. Business-Light is not transferable.

Access to 2'930 vehicles and 200 scooters

A key aspect of any business success formula is to concentrate on your core business – and place delegable tasks in capable hands.

Mobility takes care of everything, from washing the cars to the insurance. There's nothing else for you to worry about.
