

Mobility pool car sharing

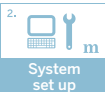

The efficient offer for companies with their own fleet

Mobility equips your company cars with the tried-and-tested Mobility car sharing technology. This cuts administration and coordination costs and enables you to make much more efficient use of your vehicle capacity. You can cut your vehicle fleet by up to 30 %!

How pool car sharing works

- 

1. Mobility fits your vehicles with an on-board computer.
- 

2. Mobility sets up the reservation system and access solution.
- 

3. By app, internet or phone.
- 

4. Open vehicles using the Mobility Card
- 

5. Convenient, inexpensive car use
- 

6. Detailed trip listings can be made at any time
