

Mercedes Vito (Automat) – what you need to know

Unlocking/locking the vehicle

Use the Mobility Card to unlock and lock the vehicle. The vehicle can be locked only when all the doors are closed properly.

Ignition key

The ignition key is in the car's glovebox.

Starting/stopping the engine

Insert the key in the ignition and operate the foot brake; the gear selector (to the right behind the steering wheel) must be in position P. Observe the display on the dashboard. Turn the ignition key.

Driving

To drive off, operate the foot brake and place the gear selector (to the right behind the steering wheel) in position D.

When parked, the vehicle must be placed in Park Mode: with the engine running, operate the foot brake and push the button marked P in the direction of the arrow.

R = Reverse
N = Neutral (**vehicle not secure!**)
P = Park (engine start/stop)
D = Drive
(operate foot brake to change gear)

Refuelling

The fuel tank filler flap is located on the driver's side and is opened by swinging it outwards. Behind the flap is the fuel cap, which opens anticlockwise. Refuel using **petroleum diesel only** (not biodiesel)!

Parking brake

- Apply the handbrake by operating the pedal on the left-hand side of the foot well
- Release the handbrake by pulling on the handle marked P above the pedal

Tips and tricks

Before driving off

Give yourself plenty of time

Always reserve plenty of time to make sure you are able to return your Mobility vehicle at its station on time. Late returns will incur an additional charge.

Check the vehicle for damage

You are required to report any damage to the 24h Service Center on 0848 824 812 by your mobile telephone or by the on-board computer. You will not be charged for the call by the on-board computer.
